

South West Coast Path †

Kit Johnstone, Ph.D.
Old Harry Rocks, 2007

10 Forgive debts and on God and death contemplate,
Too early to quit, yet to start to late.
As to rock columns you walked tightrope,
Your life has risks you keep only hope.

Kit Johnstone, Ph.D.
Wilderness, 2010

† The Earth formed 4,500 million years ago, after which we have the Precambrian Era when there began some simple cells in the sea.
